

IMER ET300

300kg GANTRY HOIST

This gantry mounted Hoist is a great tool for transporting up to 300kg of materials. Commonly requested for sites which are on coastal sloping grounds, but also favourable for roofing contractors and general building contractors on general construction sites.

The Imer ET300 is a single fall rope Hoist and can be supplied with a tipping vessel / bucket, and also a multi-bucket carrier which ensures the safe & efficient lifting of wet product such as mortar as well as smaller general goods. Other goods can be attached to the rope hook once slung in the correct manner.

A well proven, durable and reliable single fall rope Hoist with many application possibilities.

Maximum Height	25 m
Lifting Capacity	300 kg
Voltage	110 V
Motor Power	1.1 kW
Running Current	12 A
Lifting Speed	19 m/min
Platform Dimensions	n/a mm
Mast Section Module	n/a m
Mast Section Weight	n/a kg
Base Unit Weight	50 kg
