

## IMER RIO100

### 100kg SCAFFOLD HOIST

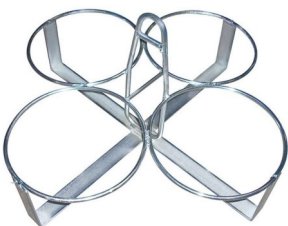

This scaffold mounted Hoist is a great tool for transporting up to 100kg of materials. Commonly requested for roofing applications, but also favourable for general building contractors on general construction sites.

The Imer RIO100 is a single fall rope Hoist and can be supplied with a multi-bucket carrier which ensures the safe & efficient lifting of wet product such as mortar as well as smaller general goods. Other goods can be attached to the rope hook once slung in the correct manner.

A well proven, durable and reliable single fall rope Hoist with many application possibilities.
