

MABER MB800 2.75m

1000kg GOODS ONLY HOIST

This is a versatile Goods Hoist capable of transporting a wide range of materials in its generously sized platform. The platform affords two loading ramps making it a great option for unusual or restricted site footprints.

This 1000kg capacity Hoist is a popular option for Bricklayers and Stonemasons, as well as roofing contractors and general builders alike.

Supplied with Electrically & Mechanically interlocking Landing Gates, this is a very popular, robust & proven Hoist which affords large capacity yet consuming minimal footprint.
